Notes

- ¹ Ordinary Company means a local company carrying on business in the Cayman Islands. In order to trade locally such a company must also obtain a licence under Local Companies (Control) Law.
- ² Exempt Company means a company whose proposed activities are to be carried out mainly outside the islands (offshore). An exempted company enjoys benefits under the law which are not available to other companies under the law, chief of which is an exemption from any taxes which may be imposed in the islands for the next twenty years.
- ³ Foreign Company means a body corporate incorporated outside the islands but carrying on business within the islands.
- ⁴ All Companies registered under the Companies Law must maintain a registered office in the islands.
